Dr. Hirt responded DCED has not completed their evaluation of the fire study and have not released it. Joanne Price, 76 College Avenue, asked who did the study. Dr. Hirt replied Nick Sohyea, Fire Chief of Mount Lebanon, PA. Mrs. Price suggested DCED comments to the study should be attached to the original document. Dr. Hirt said

the ACT47 team can still go forward with their discussion this evening on revisions without the fire study, which will be presented at a later date.

If council does not appoint a replacement within 30 days it goes to the vacancy board. Motion carried.
