2011 FARMER'S MARKET RULES & REGULATIONS

1. Kris Derrick (724.475.3998) will serve as Market Manager. She will see that parking spaces and rules and regulations are being followed and will work directly with Theodore Jones from Greenville's Borough Council.
2. The market will be located on Penn Avenue between Main and Clinton Streets. It will open May 4, 2011 and the final day will be November 12, 2011. The market will be held on Wednesdays from 11:00a.m. to 6:00p.m. and Saturdays from 7:00a.m. to 2:00p.m.
3. Any farmer who adheres to the Pennsylvania Department of Agriculture Farmers Market Nutrition Program and lives within a 20 mile radius of Greenville may become a vendor.
4. The fee will be \$20.00 per month, with November permits free to all vendors paid in October. The fee will be paid at the borough building and a permit will be issued. The permit will be good from the 1st to the last day of each month and must be shown at the market (**no partial permits will be issued**). The parking spaces will remain the same and Kris Derrick, Market Manager, will assign space to any new vendors.
5. The market manager and a borough representative have the option to inspect the produce being grown by the vendor.
6. All state and local sanitary rules must be observed and at the end of each market day occupants in the market area must remove all refuse and animal droppings occasioned by their operations. You must provide your own display tables and appropriate signs. Do not use the park receptacles.
7. The Borough of Greenville reserves the right to revoke the permit of anyone violating any regulations prescribed. In such cases no future permit will be issued. The right is also reserved to make such changes in the market regulations as conditions may require from time to time, but no such change shall invalidate a permit issued for the period in which such changes are made.
8. Alcoholic beverages are prohibited, as well as the use of profanity.
