

Curbside Recycling in Mercer County

What is “Curbside Recycling?”

Curbside recycling is simply having recyclables picked up at your home. It does not mean that a physical “curb” is required.

Am I required to recycle curbside?

All residents and businesses of the following municipalities are required by state and local laws to recycle curbside:

- ◆ City of Farrell,
- ◆ Greenville Borough,
- ◆ Grove City Borough,
- ◆ City of Hermitage, and
- ◆ City of Sharon.

Residents and businesses of all other Mercer County municipalities are not required to recycle curbside, but are encouraged to do so voluntarily.

BE SURE TO FOLLOW RECYCLING GUIDELINES PROVIDED BY YOUR HAULER.

What can I recycle?

It depends on where you live. Local programs and recycling options will vary between communities. Be sure to only recycle what your hauler accepts, to avoid the costly impacts of contamination.

For subscription customers, voluntary curbside recycling may be available in your community. Contact your waste hauler to request recycling service.

If your community has a municipal contract for waste collection, reach out to your municipal officials to inquire about including recycling.
